

EXCLUSIVE ARTIST FOCUS PROJECT

Exclusive Artist Focus Project

This is a project to help a good experienced professional artist to chase his/her dreams more efficiently while having low monetary risk as we promise a money return from first day itself. Once he becomes able to recover whole of money, he can earn a handsome amount from his/her project.

Please read below points to learn more.

Process

1. The artist will apply to EAFP through the form on our official website only.
2. He/She can apply in any artistic category required for music videos.
3. He/She should be practising his/her art at least from last 3 years and 3 months as latest in continuation.
4. The artist will be tested by experts for his/her skills & will be selected/rejected.
5. If he gets selected, he has to pay the production cost that is 9999/-. A detailed agreement for terms & conditions will be initiated on email and hardcopy with the artist.
6. The rest work will be done by our team.
7. This project is different from GMVC as all other co-stars of the video in this project will be professional and experienced. There will be no fresh artist in this project.
8. After Completion of the video, we will release it offline & online giving maximum publicity to the Exclusive Artist.

Features

1. **The Exclusive Artist will get 250 rs for every 5000 views of the video until he gets his total money back[200k views = 10000 rs, whichever is early]**
2. He will get 100 rs for every 5000 views after 200k views until till 500k views.
3. After 500k views he will not get any money as he already have recovered his invested money & had earned some money from that video.
